Dear Friend,

On Monday, September 12, 2011 at Alta Vista Country Club, Placentia, CA we will hold our 5th Annual Tee it up for the Troops Golf Tournament benefiting those members of our armed forces who have been wounded and injured in defense of our freedom and way of life. This tournament provides the opportunity to personally show our gratitude and appreciation to wounded warriors by raising money for a wide array of programs and organizations dedicated to severely wounded service members from the Iraq and Afghanistan conflicts and the Global War on Terrorism. Over \$600,000.00 has been raised over the first four events.

Starting last year the event organizers, in addition to the mission of assisting today's wounded warriors, decided to honor those of our armed forces who have sacrificed and given so much in other conflicts in our Nation's history. We now honor ALL PURPLE HEART RECIPIENTS, whose names are submitted to the tournament organizers, by adding their names to the perpetual "Purple Heart Wall of Honor" section on the California Tee it up for the Troops web-site. Honorees are also recognized in the Event Program and during the Opening Ceremonies on this special day of patriotism.

If you would like to help us honor those Purple Heart recipients among your friends or family, please submit their name(s), branch(es) of service, and the conflict of service using our website. It is easy to submit a name or names for recognition.

GO TO: [www.californiateeitupforthetroops.com](http://www.californiateeitupforthetroops.com)  
CLICK ON: the Purple Heart icon and follow the prompts

While a donation on behalf of each honoree is suggested, none is required for recognition. Just submit the name of a Purple Heart recipient and the warrior will be recognized and honored. In any event, I ask that you lend your support to our wounded warriors by forwarding this letter to everyone you know that might be interested in submitting a name to recognize and honor someone's service and sacrifice on the "Purple Heart Wall of Honor" while supporting those who serve today.

Thank you and Never Forget,

Harold Callicoa
